- The last stitch of every row is slipped purl-wise.
- A m1 increase is preformed on every right side row, two stitches before end of row.
- When the pattern says to **m1**, insert the left-hand needle into the bar between the stitches from **front to back**, then knit **through the back loop** to ensure no holes are created.

To save time, check your gauge and read all instructions thoroughly before beginning.

DROPS/BIND OFF

As you Bind Off, you will be dropping certain stitches off your needle, without securing them, creating runs from one end of the shawl to the other. These stitches will likely need assistance to run all the way down the garment.

Be mindful to bind off loosely.

Bind Off Row: BO10 sts, drop the next stitch on the left-hand needle off the end of the needle (**DS**), k2, **DS**, k4, **DS**, k6, **DS**, k8, **DS**, BO all remaining stitches.

Designer Note: At this point, I recommend steam blocking your shawl with the assistance of blocking wires. This will allow for maximum stretch to the finished dimensions. Runs will also straighten at this time.

CROCHET BORDER

Using CC and a crochet hook in a corresponding millimeter size, begin with the RS facing you. Join yarn at the cast on and continue up right edge of the shawl, as follows:

Single Crochet 1 into every slipped stitch. Once you reach the bind off edge, Single Crochet 3 into the corner stitch to turn corner. Continue to Single Crochet 1 into every BO stitch down the BO edge of the shawl. Turn.

With WS facing, preform Edge Stitch:

Chain 6

*Double Crochet into 3rd chain stitch, but leave the last stitch on the hook (2 sts on hook)

Repeat from * 2 more times (4 sts on hook)

Yarn Over and pull through all 4 sts. (1 st on hook)

Chain 3

Repeat from * 3 times (4 sts on hook)

Yarn Over and pull through all 4 sts. (1 st on hook)

Slip Stitch into chain under the Double Crochet clusters.

Chain 3

Skip 3 Single Crochet, then Single Crochet 1 into next Single Crochet stitch.

Repeat from **Chain 6** across entire Bind Off edge, being mindful to place a Single Crochet join at the corner of the shawl.

Designer Note: If you have to fudge and place another Single Crochet join a stitch before/after the 3rd stitch, no one will ever know!

After turning the corner, continue Edge Stitch across shawl to Cast On edge. Pull yarn through loop to secure, cut yarn.

FINISHING

Weave in all ends.

Pin out crochet clusters and steam out for maximum effect.
